

ORDER HIFY's BOOKS!

1. Alameda County Adolescent Provider's Guide

For teachers, counselors, program coordinators, or those who work with youth, the Alameda County Adolescent Provider's Guide (APG) is the most comprehensive directory of health and social services for youth aged 12-24 in Alameda County. Also features an "info-to-know" section, which includes articles on minor consent laws, working with immigrant youth, placement in the San Francisco school system, and more.

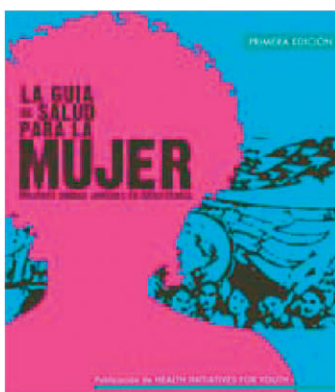

\$10 (see other side for shipping options)

2. A Young Woman's Survival Guide (Second Edition, Vol. 3)

HIFY's *A Young Woman's Survival Guide* is perhaps our most highly requested publication to date! This new edition has been slightly updated with much of the same great and useful content from previous Guides, including information on Body Image, Positive Sexuality, Substance Use & Harm Reduction, Relationships, and more!!! Plus a FRESH new cover!!!

\$10 (see other side for shipping options)

3. Guía de salud para la MUJER (Mujeres Unidas Jovenes En Resistencia)

La Guía servirá como una inspiración a la buena salud y el bienestar entre jóvenes Latinas. Mucho más, servirá como referencia a preguntas como la salud de la mujer. Un recurso clave de apoyo y de referencia, este libro tocará temas como las relaciones saludables (entre parejas íntimas, amigos, y familia), la sexualidad, el cuerpo de la mujer, sexo seguro y uso de sustancias..

The following publications are FREE with your purchase (if in stock). Please choose which ones you would like to receive (circle item or check box):

Bridges Newsletter (back issues)
 Newsletter designed for health and social service providers, featuring research and developments in the areas of youth development and health. Each one includes an in-depth article, summaries of research, and an analysis of pop culture.

How Many? _____

San Francisco Adolescent Provider's Guide 2003-2004
 Same as the Alameda County Provider's Guide, but focused on the City & County of San Francisco! This is the latest version we have available.

How Many? _____

Spill (back issues)
 Each issue explores a topic affecting youth. Spill also features resources for teens, a media literacy section, and ways for young folks to get involved in their communities.

How Many? _____

Reality (Back Issues)
 A zine by and for HIV positive youth. Some of the information and resources are outdated, but the stories are really dope and inspiring.
